Dear Member/Beneficiary:

As a member/beneficiary of the City of Miami's General Employees' and Sanitation Employees' Retirement Trust we are providing you a written copy of our Social Security Usage Policy. Our policy is as follows:

Social Security Usage Policy

Social security numbers are requested and maintained on behalf of all plan participants, beneficiaries, nominated beneficiaries and retirees for data collection, reconciliation, tracking, benefit processing, tax reporting, garnishments, insurance, qualified domestic relations order, domestic relations order, levies, and identity verification purposes. Social security numbers are also used as a unique numeric identifier and may be used for death record searches for retirees, beneficiaries and nominated beneficiaries.

This is in compliance with the requirements of Florida Statutes §119.071(5) as amended by 2009 House Bill 7051, that requires all governmental agencies in Florida, including cities and municipal pension boards, to provide each member a copy of their Social Security usage.

If you have any questions, please do not hesitate to contact our office at (305) 441-2300.

Sincerely,

Edgard Hernandez
Pension Administrator
